Road Flexible and Rigid Pavement design.(AASHTO).

Water supply and sewages.

Steel design , construction materials

Soil mechanics

Road geometric design

Strength of materials

Informing parents of a student's academic progress.

Selecting which teaching resources to use in class.

Enforcing high standards of student behavior.

Working closely with other teaching and association staff.

Maintaining discipline in the classroom.

Cooperating with others visitors.

Ensure the agreed project management methods, standards and processes are maintained throughout the project lifecycle.

# SKILLS

## Language

- Persian(Native Speaker)
- Pashto (Proficient)
- English (Proficient)
- Russian(Proficient)
- Kazakh (Fair)

## Computer

- Auto Cad 2D,3D)
- Civil 3D Road Geometric Design
- Water cad
- Midas Civil
- CSI Bridge,Staad pro
- Office package
- Internet
- GPS,Total Station

# EDUCATION

## **Kazakh National Research Technical University**

*2013 - 2015*

### **Master of Bridge and Tunneling Engineering**

I had graduated from Construction Faculty of engineering with high degree (2015).

---

## **Kabul Polytechnic University**

*2006 - 2010*

### **Bachelor of Transportation Engineering**

I had graduated from Transportation Engineering Department of Construction Faculty with high degree (2010).

## 12<sup>th</sup> Graduation Certificate

12 Class Graduation Certificate from Hazrat-e Ibrahim Khalilullah High School, Kabul Province.

## AWARDS & CERTIFICATES

### Awards

- From Al-Farabi Kazakh National University
- From MoPW provincial Authority.
- From admiration of English.

### Certificates

- TOEFL iBT
- English Language
- Russian Language
- Computer
- Teaching
